Dear friends,
with the publication of the catalogue the first edition of Sicilian Slide Circuit symbolically ends up. Looking at the results obtained both quantitatively and qualitatively we can say that our bet has been widely won.

It was a bet because in a photographic scenario always more oriented towards the digital supports the idea of a slide circuit could become a failure. Actually the large number of entrants demonstrates it was not the case.

A further significant result has been the reunion of five photo-clubs which joined the initiative with big enthusiasm. Four of them are Sicilian while one is from Calabria. In this way we built an imaginary bridge between Sicily and the rest of Italy. Wonderful, isn't it? Joking apart, I think it is important to thank all the people who supported the initiative: the international associations that gave us the recognition, the Presidents of photo-clubs that joined the initiative, the fifteen members of the juries who patiently and conscientiously evaluated all the 2000 images shown and at the same time the entrants from 30 countries of 5 continents.

Supported by this success we are ready to fling again the initiative in the following years, keeping an eye on the evolution of the photography without forgetting the real spring of all this: a deep love for it.

Good Light.

3nzo Gabriele Leanza, Efiap-Edisf-Psa CS2*-Afi - Chairman

Cari Amici,
con questo catalogo chiudiamo simbolicamente la prima edizione del Sicilian Slide Circuit. Alla luce dei risultati ottenuti sia in termini quantitativi che in termini qualitativi possiamo tranquillamente affermare che la scommessa iniziale è stata ampiamente vinta.

Scommessa perché in un mondo fotografico che va sempre più in direzione dei supporti digitali poteva essere un rischio proporre un circuito per sole diapositive. Così non è stato e gli oltre 260 partecipanti testimoniano ciò. Altro risultato di sicuro rilievo è stato quello di essere riusciti a mettere insieme cinque club che hanno sposato con entusiasmo l'iniziativa. Quattro sono siciliani e uno calabrese. Abbiamo così costruito "fotograficamente" il ponte sullo stretto di Messina. Ottimo no? Scherzi a parte, è necessario ringraziare tutti coloro i quali hanno creduto nell'iniziativa: le federazioni patrocinanti, i presidenti dei club aderenti, i quindici giurati che pazientemente e coscienziosamente

Confortati da questo successo siamo pronti a rilanciare l'iniziativa anche per i prossimi anni, tenendo conto delle evoluzioni del mondo fotografico, ma non dimenticando mai la molla iniziale: l'amore per la fotografia.

Buona Luce.

C'È UN POSTO DOVE CRESCONO I TALENTI

Dove imparare è facile come guardare, dove chi insegna impara,
dove fare fa rima con imparare, dove si guarda per capire.

QUESTO POSTO È UN CLUB FIAF!

Un Club FIAF è "il posto" per sviluppare e accrescere le tue conoscenze
fotografiche, "il posto" in cui molti fotografi professionisti hanno comin-
ciato come semplici fotoamatori, proprio come te. La FIAF è un'associa-
zione che raccoglie, segue e consiglia oltre 600 fotoclub e più di 30.000
fotoamatori in tutta Italia, organizza concorsi, mostre, congressi e corsi
di fotografia, con lo scopo di permettere un continuo scambio di idee ed
esperienze tra i propri affiliati.

Iscriversi alla FIAF significa avvicinarsi ad un mondo appassionante, che
ti aiuterà ad esprimere tutta la tua creatività e, chissà, forse un giorno
anche tu sarai conosciuto come i più acclamati fotografi di oggi.
Per informazioni telefona subito allo 0115629479: saremo lieti di invitar-
ti a far parte della nostra grande famiglia indicandoti i fotoclub più vicini
a casa tua dove potrai fare amicizia e confrontare i tuoi lavori con altri
appassionati fotoamatori.

A questo circuito sono stati riconosciuti i seguenti patrocinii
